(2) Execute the contract; or

(3) Perform the contract.

(e) Forfeiture of a deposit does not limit or waive any further claims for damages available under applicable law or terms of the contract.

(f) In the event of an administrative appeal under 25 CFR part 2, the Secretary may hold such bid deposits in an escrow account pending resolution of the appeal.

§ 163.18 Acceptance and rejection of bids.

(a) The high bid received in accordance with any advertisement issued under authority of this part shall be accepted, except that the approving officer, having set forth the reason(s) in writing, shall have the right to reject the high bid if:

(1) The high bidder is considered unqualified to fulfill the contractual requirement of the advertisement; or

(2) There are reasonable grounds to consider it in the interest of the Indians to reject the high bid.

(b) If the high bid is rejected, the approving officer may authorize:

(b) Unless otherwise directed, the contracts for forest products from individually-owned Indian land will be paid by remittance drawn to the Bureau of Indian Affairs and transmitted to the Superintendent. Upon the request of the tribe, the contracts for tribal forest products may require that the proceeds be paid promptly and directly into a bank depository account designated by such tribe, or by remittance drawn to the Bureau of Indian Affairs and transmitted to the Superintendent.

(c) By mutual agreement of the parties to a contract, contracts may be extended, modified, or assigned subject to approval by the approving officer, and may be terminated by the approving officer upon completion or by mutual agreement.

§ 163.20 Execution and approval of contracts.

(a) All contracts for the sale of tribal forest products shall be executed by the authorized tribal representative(s). There shall be included with the contract an affidavit executed by the authorized tribal representative(s) setting forth the resolution or other authority of the governing body of the tribe. Contracts must be approved by the Secretary to be valid.

(b) Contracts for the sale of individually owned forest products shall be executed by the beneficial Indian owner(s) or the Secretary acting pursuant to a power of attorney from the beneficial Indian owner(s). Contracts must be approved by the Secretary to be valid.

(1) The Secretary may, after consultation with any legally appointed guardian, execute contracts on behalf of minors and beneficial Indian owners who are non compos mentis.

(2) The Secretary may execute contracts for a decedent's estate where ownership has not been determined or for those persons who cannot be located after a reasonable and diligent search and the giving of notice by publication.

may include such unrestricted interest in a sale of the trust or restricted interests in the timber, pursuant to this part, and perform any functions required of him/her by the contract of sale for both the restricted and the unrestricted interests, including the collection and disbursement of payments for timber and the forest management deductions from such payments.

(4) When consent of only a majority interest has been obtained, the Secretary may execute the sale on behalf of all owners to fulfill responsibilities to the beneficiaries of the trust. In such event, the contract file must contain evidence of the effort to obtain consent of all owners. When an individual cannot be located, the Secretary, after a reasonable and diligent search and the giving of notice by publication, may sign a power of attorney consenting to the sale for particular interests. For Indian forest land containing undivided restricted and unrestricted interests, only the restricted interests are considered in determining if a majority interest has been obtained.

§ 163.21 Bonds required.

(a) Performance bonds will be required in connection with all sales of forest products, except they may or may not be required, as determined by the approving officer, in connection with the use of forest products by Indian tribal forest enterprises pursuant to this part in § 163.13 or in timber cutting permits issued pursuant to § 163.26 of this part.

(1) In sales in which the estimated stumpage value, calculated at the appraised stumpage rates, does not exceed \$15,000, the bond shall be at least 20 percent of the estimated stumpage value.

(a) The basis of volume determination for forest products sold shall be the Scribner Decimal C log rules, cubic volume, lineal measurement, piece count, weight, or such other form of measurement as the Secretary may authorize for use. With the exception of Indian tribal forest enterprises pursuant to § 163.13 of this part, payment for forest products will be required in advance of cutting for timber, or removal for other forest products.

(b) Upon the request of an Indian tribe, the Secretary may provide that the purchaser of the forest products of such tribe, which are harvested under a timber sale contract, permit, or other harvest sale document to make advanced deposits, or direct payments of the gross proceeds of such forest products, less any amounts segregated as forest management deductions pursuant to § 163.25 of this part, into accounts designated by such Indian tribe.
